The Importance of Sponsorship

The Schomberg Agricultural Society is a not-for-profit, registered charity which is dedicated to promoting, educating, and celebrating our agricultural heritage and related industries in and around our community. The Society and the Schomberg Fair depend greatly on the contributions received from the businesses in our local community and the surrounding areas.

Our Agricultural Fair is unique – in size, participation, and attendance. We draw visitors and exhibitors from across Central Ontario with our quality shows, events and prizes. More than 10,000 people pass through our gates annually where they enjoy the special sights and sounds of a small town fair.

We recognize that sponsors are major contributors to the success of the fair. We aim to keep the fair an affordable family activity so we rely on your generous sponsorship. At the same time we provide as much exposure and promotion for your business as we can.

Please review the different sponsorship opportunities and select a comfortable level. You have supported the celebration of our shared agricultural heritage, our agricultural industry and our local community for over 168 years and for that, we THANK YOU!

The Schomberg Agricultural Society

With more than 90 member volunteers we work each year to promote agriculture in and around our community. Our volunteers are passionate and dedicated to our goals and have kept the Schomberg Agricultural Society strong for more than 165 years. Our members are your family, friends, neighbours, and customers all of whom help this community celebrate the agricultural heritage we share.
